Illinois Electric Choice Sales Agreement – Terms and Conditions

Background: This contract is only intended for Residential and Small Commercial Customers (customers with electric usage of 15,000 kWhs or less annually). Santanna Natural Gas Corporation d/b/a Santanna Energy Services ("Santanna") is licensed by the Illinois Commerce Commission ("ICC") as an Alternative Retail Electric Supplier ("ARES"). Price: Fixed at a rate of $0.07600 per kWh. The rate for this initial term includes transmission charges but does not include pass through charges for ComEd service (delivery charges and other Utility service fees), a monthly administrative fee, or state and local taxes. This agreement begins with your next available Utility meter read and your being accepted into the Electric Choice Program. Santanna is not responsible for occasional delays in the enrollment process under this agreement.
